REDEVELOPMENT AUTHORITY OF THE COUNTY OF LANCASTER
MANAGEMENT'S DISCUSSION AND ANALYSIS
DECEMBER 31, 2024

As Management of the Redevelopment Authority of the County of Lancaster, we offer readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority for the fiscal year ended December 31, 2024. We encourage readers to consider the information presented here in conjunction with the Authority's financial statements as presented elsewhere in this Report.

A- Financial Highlights

1 - The assets of the Authority exceeded its liabilities at the close of its most recent fiscal year by \$11,642,696 (net position) as opposed to \$9,297,831 for the prior fiscal year.

2 - As of the close of the current fiscal year, the Authority's Proprietary Fund reported ending Unrestricted Net Position of (\$159,485) compared to (\$145,000) for the prior fiscal year.

3 - The Authority's cash and cash equivalent balances at December 31, 2024, were \$2,645,557 representing a decrease of \$1,193,864 from the prior fiscal year.

4 - The Authority had Total Operating Revenues of \$12,493,884 and Total Operating Expenses of \$10,229,147 including depreciation of \$1,083,363 for the year ended December 31, 2024.

5 - The Authority had \$2,461,068 in capital outlays for the fiscal year December 31, 2024, for upgrades to the baseball stadium.

6 - The Authority's Expenditures of Federal Awards amounted to \$6,109,241 for the fiscal year and its expenditures of State Awards amounted to \$4,124,677.

B - Using the Annual Report

1 - Management's Discussion and Analysis

The Management's Discussion and Analysis is intended to serve as an introduction to the Authority's financial statements. The Authority's Financial Statements and Notes to Financial Statements included in this Report were prepared in accordance with GAAP applicable to governmental entities in the United States of America for Proprietary Fund types.

2 - Financial Statements

The financial statements are designed to provide readers with a broad overview of the Authority's finances, in a manner similar to a private-sector business. They consist of the Statement of Net Position, Statement of Activities and Statement of Cash Flows.

MANAGEMENT'S DISCUSSION AND ANALYSIS (CONTINUED)
DECEMBER 31, 2024

B – Using the Annual Report – Continued

2 – Financial Statements (Continued)

The Statement of Net Position presents information on all the Authority's assets and liabilities, with the difference between the two reported as net position. Increases or decreases in net position will serve as a useful indicator of whether the financial position of the Authority is improving or deteriorating.

The Statement of Revenue, Expenses and Changes in Net Position presents information showing how the Authority's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of unrelated cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., depreciation and earned but unused vacation leave).

The Statement of Cash Flows presents information showing how the Authority's cash and cash equivalents position changed during the year. The statement classifies cash receipts and cash payments as resulting from operating activities, capital and related financing activities and investing activities.

The financial statements report on the Authority's activities. The activities are primarily supported by CDBG subsidies and grants. The Authority's function is to provide funding for redevelopment projects in the County of Lancaster. The financial statements can be found on pages 9 through 11.

3 – Notes To Financial Statements

The Notes to Financial Statements provide additional information that is essential to a full understanding of the data provided in the financial statements. The Notes to Financial Statements can be found in this Report after the financial statements.

4 – Supplemental Information

The Schedule of Expenditures of Federal awards is presented for purpose of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) part 200, Uniform Administrative Requirements, cost Principles, and Audit Requirements for Federal Awards. The Schedule of Expenditures of Federal Awards can be found on page 27 of this report.

C – The Authority as a Whole

The Authority's Net Position increased by \$2,344,865 during the fiscal year. During the current year, the Authority received \$6,109,241 in grants from the US Department of Housing and Urban Development.

DECEMBER 31, 2024

C – The Authority as a Whole - Continued

The Authority's operating revenues exceeded expenses by \$1,181,374 when adjusted for depreciation of \$1,083,363.

By far, the largest portion of the Authority's net position reflects its investment in capital assets (e.g., the stadium project). The Authority has invested these funds to provide recreational and entertainment facilities for residents of and visitors to Lancaster County.

D – Budgetary Highlights

For the year ended December 31, 2024, individual program or grant budgets were prepared by the Authority and were approved by the Board of Directors. The budgets were primarily used as a management tool and have no legal stature. (Also, the Authority adopted a comprehensive annual budget for the General Fund.) The budgets were prepared in accordance with the accounting procedures prescribed by the applicable funding agency.

E – Capital Assets and Debt Administration

As of December 31, 2024, the Authority's investment in capital assets net of accumulated depreciation was \$14,295,541. This investment in capital assets includes land improvements, and stadium seating, leasehold improvements and office furniture and equipment.

Additional information on the Authority's capital assets can be found in Note 12 to the Financial Statements.

Bonds Payable

The Authority has outstanding \$1,055,000 Series 2013 federally taxable guaranteed revenue bonds. The bonds are discussed in detail in Note 9 to the Financial Statements.

F – Economic Factors and Next Year's Budget Rates

The following factors were considered in preparing the Authority's budget for the fiscal year ending December 31, 2025:

The State of the economy which affects HUD's ability to fund certain grant and entitlement programs.

The Use of Unrestricted Net Position (\$159,485) to fund any shortfalls rising from a possible economic downturn and reduced grants. The Authority's unrestricted net position appears sufficient to cover any shortfalls.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Redevelopment Authority of the
County of Lancaster
Lancaster, Pennsylvania

Opinion

We have audited the accompanying financial statements of Net Position, Revenue, Expenses, and Changes in Net Position, and Cash Flows of the Lancaster County Redevelopment Authority, as of and for the year ended December 31, 2024, and the related notes to the financial statements, which collectively comprise the Lancaster County Redevelopment Authority's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net position of the Authority as of December 31, 2024, and the changes in its net position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Lancaster County Redevelopment Authority and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Lancaster County Redevelopment Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

INDEPENDENT AUDITOR'S REPORT
(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Lancaster County Redevelopment Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Lancaster County Redevelopment Authority's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis presented on pages 1-5 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the financial statements.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements of the Redevelopment Authority of County of Lancaster. The Combining Statements of Net Position and Revenue and Expenses and Changes in Net Position is presented for the purpose of additional analysis and is not a required part of the basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and is also not a required part of the basic financial statements.

The Combining Statements of Net Position and Revenue and Expenses and Changes in Net Position and Schedule of Expenditures of federal awards are the responsibility of management and were derived from and directly relate to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards general accepted in the United States of America. In our opinion, the Combining Statements of Net Position and Revenue and Expenses and Changes in Net Position and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards* We have also issued our report dated February 12, 2026 on our consideration of the Redevelopment Authority of County of Lancaster’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority’s internal control over financial reporting and compliance.

REDEVELOPMENT AUTHORITY OF THE COUNTY OF LANCASTER
NOTES TO FINANCIAL STATEMENTS
December 31, 2024

NOTE 1 - Summary of Organization, Activities and Significant Accounting Policies:

- A. Organization – The Authority was incorporated under the provisions of the Pennsylvania Urban Redevelopment Act Number 385 of May 24, 1945, as amended.

The Authority has not identified any entities which should be subject to evaluation for inclusion in the Authority’s reporting entity.

The Authority was created by the County of Lancaster. The Authority is not a component unit of the County but has a sub-recipient relationship. The County of Lancaster has delegated the administration of the Community Development Block Grant (CDBG) Program, the Emergency Shelter Grant (ESG) Program, the HOME Investment Partnership (HOME) Grant Program, and the Affordable Housing Program to the Authority. The County has retained control over the receipt of Federal grant funds wherein draw-downs are initially received by the County and then transferred to the Authority’s accounts.

- B. Budgets and Budgetary Accounting – The Authority operates each Fund based on a Budget and Financing Plan approved by the granting Agency, except for the Revolving Fund which is budgeted separately. Budget expenditures are controlled by line item and by project within a line item.

- C. Activities of the Authority

1. CDBG, Emergency Solutions Grant and HOME Grant Program

The County of Lancaster and HUD entered into annual grant agreements pursuant to the authority of Title 1 of the Housing and Community Development Act of 1974, as amended and Title II of the Cranston-Gonzalez National Affordable Housing Act as amended. The obligation and utilization of the funding assistance is subject to the requirements of existing regulations and any special conditions imposed by HUD. The County provided certain assurances and certifications to HUD and also agreed to accept responsibility for adherence to the grant agreement by sub-recipient entities to which it makes funding assistance available.

2. PA Office of the Budget – Redevelopment Assistance Capital Program (RACP)

Since 2009, the Authority has received a total of \$40,658,668 from the Pennsylvania Office of the Budget through the Redevelopment Assistance Capital Program for a variety of economic development projects in Lancaster County. These projects are in varying stages of completion.

REDEVELOPMENT AUTHORITY OF THE COUNTY OF LANCASTER
NOTES TO FINANCIAL STATEMENTS
December 31, 2024

C. Activities of the Authority - Continued

2. PA Office of the Budget - Redevelopment Assistance Capital Program (RACP) - Continued

- a. \$1,200,000 was awarded for Lancaster Cleft Palate Clinic. The project will expand patient care spaces to fill the entire main floor (9,000 SF) of the Clinic, 223 N. Lime St., Lancaster. The extensive renovations will involve reconfiguring walls, traffic flow, plumbing, electrical, and HVAC systems. The existing waiting area will be transformed into new treatment rooms for orthodontic and pediatric dental care, the services patients with clefts need most regularly. Additional clinical spaces will be renovated to accommodate improved speech, hearing, ear/nose/throat, and psychosocial services. A new comfortable waiting area and play space for small children will be built. The main entrance will be moved so that it is adjacent to the parking lot, and an elevator will be installed to make the entire building accessible. The underutilized lower level will be transformed into dedicated meeting space and offices for our multidisciplinary team of specialists and staff, adding approximately 5,000SF of administrative space. As of December 31, 2024, \$1,200,000 in grant funds have been expended. The Redevelopment Authority received the final \$30,000 in 2024 once close out paperwork was submitted to the State.

3. Affordable Housing Program

The County of Lancaster passed an Ordinance on June 29, 1994, to raise revenues to enable County residents to purchase or rent quality residential housing. The Ordinance increased recording fees for deed and mortgages which are transferred monthly to the Authority. These funds are to be used for affordable housing efforts as defined by Statute.

4. Revolving Fund

A Revolving Fund was established to accumulate and pay payroll and other administrative costs for all participating funds. Initially an advance was received commensurate with participation in the Fund and reimbursements were made on a monthly basis on actual charges.

An equitable pro-ration was established by the Authority based on actual time records.

D. Significant Accounting Policies

1. Basis of Accounting - The accrual basis of accounting is used by the Authority for measuring the financial position and operating results of its Proprietary Fund. Under the accrual basis of accounting, transactions are recognized when they occur, regardless of when cash is received or disbursed. Revenue is recognized in the accounting period in which it is earned and becomes measurable.
2. Report Presentation - The financial statements included in this Report were prepared in accordance with generally accepted accounting principles (GAAP) in the United States of America applicable to governmental entities for Proprietary Fund Types. The Authority implemented the provisions of Governmental Accounting Standards Board Statement No. 34 "Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments". The Authority also adopted the provisions of Statement No. 37 "Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments: Omnibus" and Statement No. 38 "Certain Financial Statement Note Disclosures", which supplement Statement No. 34. Statement No. 34 established standards for all state and local governmental entities that includes a statement of Net Position, a statement of activities and a statement of cash flows. Statement No. 63 "Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of resources, and Net Position" requires the re-naming of the Statement of Net Assets to the Statement of Net Position. The standard provides financial reporting guidance for deferred outflows of resources and deferred inflows of resources. The Statement of Net Position reports all assets, deferred outflows of resources, liabilities and deferred inflows of resources and net position. These classifications are defined as follows:

Net Investment in Capital Assets - This component consists of land and depreciable assets, net of accumulated depreciation and net of the related debt outstanding. If there are significant unspent related debt proceeds as of year-end, the portion of the debt related to the unspent proceeds is not included in the calculation of Net Investments in Capital Assets. Rather, that portion of the debt is included in the same net position component as the unspent proceeds.

Restricted Net Position This component includes net position subject to restrictions placed on net position use through external constraints imposed by creditors (such as debt covenants), grantors, contributors, or laws or regulations of other governments or constraints imposed by the law through constitutional provisions or enabling legislation.

3. Report Presentation Continued

Unrestricted Net Position - This component consists of net position that do not meet the definition of Restricted Net Position or Net Investment in Capital Assets.

The adoption of Governmental Accounting Standards Board Statements 34, 37 and 38 has no significant effect on the basic financial statements, except for the classification of net position in accordance with Statement No. 34.

Significant Accounting Policies are as follows:

- a. Cash and cash equivalents are stated at cost, which approximates market. Cash and cash equivalents include cash in banks, petty cash, certificates of deposit, and other investments with original maturities of less than three months from the date of purchase.
- b. Investments are recorded at fair value based on quoted market prices. Fair value is the amount at which a financial instrument could be exchanged in a current transaction between willing parties.
- c. Program income is composed of miscellaneous revenue and is recorded when earned.
- d. The Authority is subsidized by the Federal Government. The Authority is not subject to Federal or State income taxes, nor is it required to file Federal and State income tax returns.
- e. Grants received from HUD, DCED or State Programs are recorded as income when earned.
- f. The cost of accumulated unpaid compensated absences is reported in the period in which the expense is incurred rather than in the period paid.
- g. The Authority has elected not to apply to its proprietary activities Financial Accounting Standards Board Statements and Interpretations, Accounting Principles Board Opinions, and Accounting Research Bulletins of the Committee of Accounting Procedure issued after November 30, 1989.
- h. The preparation of financial statements in conformity with accounting principles, generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenues earned and expenses incurred during the reporting period.
- i. The Authority's Capitalization Policy calls for capital purchases with a value of \$1,000 or more to be capitalized.

Significant accounting policies Continued:

- j. The Authority has given consideration AU-360-10, *Accounting for the Impairment or Disposal of Long-Lived Assets* in its preparation of these financial statements. As of December 31, 2024, the Authority has not recognized any reduction in the carrying value of its fixed assets when considering AU-360-10
- k. Right to Use Assets—The Authority has recorded a right to use lease assets as a result of implementing GASB Statement No. 87. The right to use assets are initially measured at an amount equal to the initial measurement of the related lease liability plus any lease payments made prior to the lease term, less lease incentives, and plus any ancillary charges necessary to place the lease into service. The right to use assets are amortized on a straight-line basis over the life of the related lease.
- l. Lease Receivable- The Authority has recorded a lease receivable for the present value of future lease payments as a result of implementing GASB Statement No. 87. The lease receivable is related to cell tower revenues derived from antennas placed by third parties at the baseball stadium.
- m. On July 1, 2021, the Authority was required to adopt Governmental Accounting Standards Board No. 87, Leases. GASB 87 establishes a single model for lease accounting based on the principle that leases are financings of the right to use an underlying asset. Under GASB 87, the lessee is required to recognize a lease liability and an intangible right-to-use asset, and a lessor is required to recognize a lease receivable and deferred inflow of resources. Additional information regarding the Authority's lease receivables and lease liabilities can be found in Note 18 to these financial statements.

NOTE 2 - Cash and Cash Equivalents

The Authority maintains cash and cash equivalents in local banks, which are covered by FDIC insurance and Act 72 of the Commonwealth of Pennsylvania. Act 72 requires the institution to pool collateral for all governmental deposits and have the collateral held by an approved custodian, but not in the Authority's name.

Cash, Cash Equivalents and Restricted Cash at December 31, 2024, consisted of the checking accounts, with carrying amounts of \$2,618,625 and bank account balances of \$2,741,757. Of these balances, \$500,000 was covered by FDIC insurance and \$2,241,757 was covered by Act 72.

NOTE 3 - Accrued Compensated Absences

Accrued Compensated Absences of \$104,662 at December 31, 2024, represent amounts to which employees are entitled based on accumulated leave earned in accordance with the Authority's Personnel Policy. Employees may be compensated for accumulated vacation leave in the event of retirement or termination from service. Employees may also be compensated for accumulated sick leave at retirement or termination from service to a maximum of 30 days.

NOTE 4 - Employee Retirement Plan

The Authority provides a defined contribution pension plan for eligible full-time and part-time employees. The plan is administered by ADP and was established by a resolution of the board of directors. Any changes to the plan can only be enacted by board resolution. Under the plan, the Authority matches employee contributions up to 7.00%. The Authority's contribution to the plan for the fiscal year ended December 31, 2024, was \$67,208.

NOTE 5 - Indirect Costs

The Authority did not charge indirect costs to any of the funds during the audit period.

NOTE 6 - Lancaster County Housing Authority

The Authority is co-located with the Lancaster County Housing Authority. Common costs for payroll and other administrative costs are paid through a Revolving Fund in accordance with an equitable pro-ration policy established and agreed upon by both Authorities. Activities of the Lancaster County Housing Authority are covered under a separate audit report.

NOTE 7 - Loans Receivable

At December 31, 2024, the Authority had a loan portfolio consisting of loans for 1,102 housing projects and 72 economic development projects with a loan balance of \$56,165,147. No provision has been made in these financial statements for the Loans Receivable since they are deferred payment loans, forgivable loans, deferred loans, due on sale loans and amortized loans. Loan repayments, when received, are recorded as Program Income in accordance with the accounting instructions from the funding agency.

NOTE 8 - Mortgages Receivable

The Authority made a loan under the Rental Rehabilitation Program. The \$140,000 loan was made in 1986. And modified in October 2012 requiring monthly principal payments of \$877 commencing on March 1, 2013. The outstanding balance at December 31, 2024, was \$0. The loan was made with an interest rate of 0 percent. No provision has been made in these financial statements for the mortgage receivable since the loan was recorded in HUD's Integrated Disbursement and Information System (IDIS) at inception and the monthly payments are considered program income in the CDBG Program and reported in IDIS.

NOTE 9- Bonds Payable and Notes Payable

On May 25, 2004, The Redevelopment Authority of the County of Lancaster issued \$13,505,000 of federally taxable guaranteed multi-purpose stadium facility revenue bonds Series 2004 (The Bonds). The Bonds were guaranteed by the County of Lancaster and were issued to finance site acquisition, design and construction of a multi-use stadium and related improvements. The Bonds were issued in denominations of \$5,000 and mature between November 15, 2005, and November 15, 2025. The Bonds were payable solely and exclusively from, and secured by, (1) the receipts and revenues from the multi-purpose stadium facilities, (2) restricted funds established under the indenture and (3) to the extent necessary, sums the County is obligated to pay pursuant to a guaranty agreement dated May 15, 2004. Under that Guaranty, the County has unconditionally pledged its full faith, credit and taxing power for the full and prompt payment of principal and interest on the Bonds.

On January 15, 2013, the Authority advanced refunded and defeased in subsistence its outstanding Series 2004 revenue bonds of \$9,895,000 by issuing \$10,950,000 in Series 2013 federally taxable guaranteed revenue bonds. The 2013 bonds bear interest at a variable rate between .54% and 3.813% and will be repaid in incremental principal amounts with the first payment of \$40,000 on November 15, 2013. The 2004 revenue bonds bear interest at a variable rate between 5.10% and 5.85% and were also due in incremental principal amounts with the final payment due May 15, 2014.

In order to accomplish the advance refunding, the Authority was required to deposit in escrow \$10,686,646 which together with interest was used to retire the outstanding 2004 bonds on May 15, 2014. The escrow account consists of obligations guaranteed by the United States Government and the balance in the escrow account is \$0.

The following is a schedule of debt service requirements for the Series 2013 revenue bonds:

NOTE 16 - Loan Receivable

On August 26th, 2016, the Authority entered into a loan agreement with Columbia Economic Development Corporation, a Pennsylvania not for profit to provide \$10,000 for predevelopment costs related to a redevelopment project. The loan commenced on the signing of the agreement and matures on the date of sale of the project. No payments of interest or principal are due during the term of the loan and simple interest accrues at the rate of 1% per annum beginning with the signing of the loan.

NOTE 17 – Litigation

A confirmation received from the Authority’s attorney disclosed that there were no judgments outstanding, no pending lawsuits or claims, no claims or penalties arising out of alleged violations of wage and trade laws or agreements, and no other matters of importance as of December 31, 2024.

NOTE 18 – Lease Commitments

As described in Note 1, the Authority was required to adopt GASB 87 as of January 1, 2022. The Authority has entered into two operating leases with a third party for office space it co-leases with the Lancaster County Redevelopment Authority. The leases consist of office space on both the first and second floors and include price escalations each year. The second-floor lease began on March 1, 2017, and the second-floor lease began in May of 2022. Both leases now provide for a termination date of April 30, 2037, and provide for incremental increases on the anniversary of the adjusted start date in May.

The lease liability is measured at a discount rate of 6%. As a result, the Authority has recorded a right to use asset with a remaining net book value of \$1,217,640 as of December 31, 2024, and a remaining lease liability of \$1,359,805. The weighted average of the remaining monthly lease payments at December 31, 2024, is \$6,659.

In March of 2007, the Authority has entered into a 25-year lease with Crown Castle Cellular in which it rents rooftop space. The Authority recognizes a lease receivable with a term greater than 12 months in its financial statements. At the commencement of the lease, the Authority initially measures the leases receivable at the present value of the payments expected to be received during the lease term. Subsequently the lease receivable is reduced by the principal portion of lease payments received. The deferred inflows of resources are initially measured as the initial amount of the lease receivable adjusted for lease payments received at or before lease commencement. Subsequently, the deferred inflows of resources are recognized as revenue on a straight-line basis over the life of the lease term. The Authority has used an internal borrowing rate of 6.0% to present value the lease receivables. The balance of the lease receivable on December 31, 2024, was \$140,221. Deferred Inflows on December 31, 2024, were \$69,485 net of accumulated amortization of \$178,676.

NOTE 19 – Related Party Transactions

As Described above, the Redevelopment Authority is co-located with the Lancaster County Housing Authority. In addition to sharing office space, both Authorities share common management and employees. Salaries and Benefits allocated to the Housing Authority amounted to \$845,905.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Commissioners
Redevelopment Authority of the County of Lancaster
Lancaster, Pennsylvania

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Redevelopment Authority of the County of Lancaster ("the Authority") as of and for the years ended December 31, 2024 and the related notes to the financial statements, which collectively comprise the Redevelopment Authority of the County of Lancaster's basic financial statements and have issued our report thereon dated February 12, 2026.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Redevelopment Authority of the County of Lancaster financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS
(Continued)

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. The report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Commissioners
Redevelopment Authority of the County of Lancaster
Lancaster, Pennsylvania

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Redevelopment Authority of the County of Lancaster's (the "Authority") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Authority's major federal programs for the year ended December 31, 2024. The Redevelopment Authority of the County of Lancaster's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Redevelopment Authority of the County of Lancaster complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the years ended December 31, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Authority and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major program. Our audit does not provide a legal determination of the Authority's compliance with the compliance with the compliance requirements referred to above.

Responsibilities of Management on Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Authority's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and to express an opinion on the Authority's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Noncompliance with the compliance requirements referred to above is considered material if there a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Authority's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, and the Uniform Guidance we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Authority's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses internal over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that have not been identified. Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed. The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

LANCASTER, PENNSYLVANIA
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
DECEMBER 31, 2024

Status of Prior Audit Findings

Findings:

**Finding- 2023-001 (Both a Financial Statement and Compliance Finding)
Redevelopment Authority – Entity Wide
Type of Deficiency – Material Weakness
Compliance Requirement – Reporting**

Cause:

The Authority did not have appropriate controls in place to assess the need to hire appropriate staff or solicit qualified consultants to compile or assist in the compilation of the Authority’s financial statements for December 31, 2023. The result of this inaction caused a two-year delay in the issuance of the Authority’s audit report.

Condition:

The Authority did not implement additional controls to assess the need to hire appropriate staff or qualified consultants to assist in the preparation of accurate, complete and timely financial statements for December 31, 2023.

Criteria:

Government Auditing Standards (Yellow Book) and the Governmental Accounting Standards Board (GASB) emphasize the importance of timely financial reporting. Internal control standards require that management produce and review complete year-end financial statements promptly, within 90 days of year-end.

Effect of Condition:

The effect of not having timely financial statements hindered the Authority’s ability to assess the financial position of the Authority during the year and impaired budget preparation. Additionally, the delay of financial reporting impaired budget preparation as well as failing to remit financial statements to the federal audit clearinghouse within the nine months required time frame.

Recommendation:

We recommend that the Authority implement additional controls such as assessing the performance of its financial staff to ensure the timely submission of future financial statements.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS
DECEMBER 31, 2024

Finding- 2023-002 (Both a Financial Statement and Compliance Finding)

Redevelopment Authority – Entity Wide

Type of Deficiency – Material Weakness

Compliance Requirement: Cash Management

The Authority did not perform monthly bank reconciliations on monthly basis from January through July 2023. The effect caused certain deposits and IDIS reimbursements to not be recorded and drawn in a timely manner.

Cause:

The Authority did not implement proper controls including a review process to ensure that monthly reconciliations occurred in a timely manner.

Condition:

During our review of the Redevelopment Authority’s 2023 cash management processes, we noted that bank reconciliations for all active accounts were not performed monthly from January to July and there was no evidence of supervisory review or sign-off.

Criteria

Standards for sound financial management under Government Auditing Standards (Yellow Book) require organizations to maintain effective internal controls over cash. Timely, monthly bank reconciliations are a key control to detect errors, omissions, or unauthorized transactions and to ensure the accuracy of recorded cash balances.

Cause

The Authority has not established a formal policy or documented procedure that assigns responsibility, timing, and review requirements for monthly bank reconciliations. Finance staff turnover and competing priorities have further delayed the reconciliation process.

Effect of Condition:

The effect of not reconciling monthly bank statements may result in the following:

- Errors in recording cash transactions remain undetected for extended periods.
- Unauthorized or fraudulent transactions may not be identified promptly.
- Financial statements may contain misstated cash balances, reducing their reliability.
-

DECEMBER 31, 2024

Finding- 2023-003 (Both a Financial Statement and Compliance Finding)
Redevelopment Authority – Entity Wide
Type of Deficiency – Material Weakness
Compliance: Special Tests and Provisions

The Authority did not prepare an operating budget for the fiscal year December 31, 2023.

Cause:

The Authority has not established a written policy assigning responsibility, timing, or procedures for preparing an annual operating budget. Budget development has depended informally on Finance staff and the Executive Director, with no clear due dates or Board-level review requirements.

Condition:

During our review of the Redevelopment Authority’s 2023 financial records, we observed that no formal operating budget was prepared or approved for the fiscal year that began January 1, 2023. The Authority did not develop a line-item projection of revenues and expenditures, nor did it present any draft budget to the Board of Directors before incurring operating costs.

Criteria:

Good internal control under Government Auditing Standards (Yellow Book) requires that management adopt sound budgeting practices, including the preparation of an annual operating budget that is approved by the governing board.

Effect of Condition:

The effect of not preparing an operating budget hindered the Authority’s ability to assess financial information because management lacks a clear financial plan to guide and prioritize spending decisions. In addition, the Authority cannot hold staff accountable for controlling costs and there is an increased risk of unanticipated cash-flow shortfalls or overspending in specific programs.

Recommendation:

We recommend that the Authority adopt a written Budget Policy that:

1. Require Finance staff to prepare a detailed operating budget by October 31 of each year.
2. Mandates presentation of the proposed budget to the Board of Directors for review, adjustment, and formal approval before January 1.
3. Implements monthly budget-to-actual reporting to the Board and senior management, highlighting significant variances and recommending corrective actions.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS
DECEMBER 31, 2024

Finding- 2023-004

Redevelopment Authority – Entity Wide

Type of Deficiency – Significant Deficiency

Compliance: Cash Management

The Authority did not reimburse interfund transactions between the Redevelopment Authority and the Housing Authority on a timely basis, often reimbursing estimated amounts during the year resulting in an under draw of IDIS funds in the CDBG, ESG and HOME Programs. This inefficiency can also result in the comingling of cash from different programs.

Cause:

The Authority did not implement proper controls including a review process to ensure that monthly reconciliations of grant revenues to grant costs to ensure that all funds spent were requested from IDIS in a timely manner.

Condition:

The Authority did not have proper controls in place to ensure that monthly reconciliations were performed in a timely manner.

Criteria

Government Auditing Standards (yellow Book) require that management design and implement internal controls to record, reconcile and settle account balances promptly, ensuring completeness and accuracy of financial records.

Effect of Condition:

The effect of not reconciling monthly grants to expense transactions resulted in inaccurate financial information during the course of the year. This resulted in accounts receivable from HUD of \$1,722,084 at the end of the year. Additionally, management and the Board lack timely visibility into the true cash position of each program, which may impact cash-flow planning.

Recommendation:

Internal controls are most effective when reviewing reconciliations and transactions are done by someone not responsible for the preparation of the reconciliations or responsible for the transactions. We recommend that reviews be conducted and documented by someone other than the preparer. We also recommend that the board be given quarterly financials to ensure proper oversight of the financial records.

Redevelopment Authority – CDBG

Type of Deficiency – Significant Deficiency

Compliance Requirement – Reporting

The Authority did not file accurate and timely PR-26 “Financial Summary Report” and PR-29 “Cash on Hand Report” as required. The PR-29 report is HUD’s quarterly cash on hand report of CDBG and CDBG-CV Programs

Cause:

The Authority did not implement proper controls, including a review process to ensure that quarterly and year-end reporting information extracted from IDIS were accurate and timely reported as required.

Condition:

The Authority did not have proper controls in place to ensure that quarterly and year-end reports were done in a timely manner.

Criteria:

The Authority is required under 24CFR570.502(b) to remit the annual performance report PR-26 specifying the amount of funds drawn from the IDIS system 90 days after year end. Under CFR 200 – Uniform Administrative Requirements, Cost Principles and Audit Requirements Subpart D section 200.328 the PR-29 quarterly report is required to be submit quarterly no later than 30 days after year end

Effect of Condition:

The effect of not accurate and timely reporting affects HUD’s ability to analyze program activities and properly fund programs to meet the needs of the populations served.

Recommendation:

Internal controls are most effective when reviewing reconciliations and transactions are done by someone not responsible for the preparation of the reconciliations or responsible for the transactions. We recommend that reviews be conducted and documented by someone other than the preparer. We also recommend that the board be given copies of quarterly reports to ensure proper oversight of the financial records and timely submissions.
