Request for Qualifications (RFQ)
Redevelopment Authority of the County of Lancaster

The Redevelopment Authority of the County of Lancaster is seeking qualifications from experienced general contractors to establish and maintain a pre-qualified pool for Whole Home Performance projects. Projects may combine federal, state, local, utility, and other funds to address a home's health, safety, durability, accessibility, and energy-efficiency needs through one coordinated construction scope. Work will occur in occupied homes, including pre-1978 housing.

Responses are due on August 31, 2026. For additional information, including eligibility, contractor requirements, and the RFQ process, please visit: Lancaster County Housing & Redevelopment Authorities

Questions may be directed to Marisol Maldonado, Housing & Community Development Director, at (717) 394-0793, ext. 208 or hcd@lchra.com
