LANCASTER COUNTY HOMELESSNESS COALITION

ADA Compliance Certification

Funding is subject to the requirements of the American with Disabilities Act (ADA) of 1990 and Section 504 of the Rehabilitation Act of 1973 (as amended). No qualified individuals with disabilities shall, by reason of the disabilities, be barred from facilities, be excluded from participation in or denied the benefits or any services, programs or activities, or be subjected to discrimination regarding employment by the funders or any of its subrecipients, instrumentalities, agencies or contractors. Subrecipients must also adopt and implement procedures designed to make available to interested persons information concerning the existence and location of services and facilities that are accessible to persons with a handicap.

This funding is also subject to the requirements of the Fair Housing Amendments Act of 1988 which expanded coverage of Title VIII of the Civil Rights Act of 1968 to prohibit discriminatory housing practices based on disability and familial status.

By signing below, I hereby certify compliance with the above requirements.
